

# Access Seesaw Through a Mobile Device

1. Download **Seesaw Class** app.

- If you are using a school iPad you can find it in the “App Catalog” app, there is not an app store in those devices.

2. Open the app and choose “I’m a student”

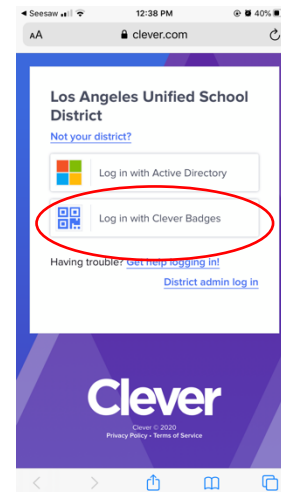

3. **DO NOT** scan their QR code yet!  
Click “Google/Email Sign In”

4. Choose “Seesaw for Schools Clever Sign In”

5. It will open a web browser for clever.com and you will need to click “Log in with Clever Badge”

6. Give Access to your camera.

7. Scan your child’s **Clever QR Code**.
