Step 6: Click "Accept" for health check

Take the daily health check

We can help protect the community by practicing healthy behaviors that decrease the risk of getting COVID-19. COVID-19 is commonly transmitted in homes. We successfully make our communities safer when:

- We wear face coverings at school and outside the home.
- We avoid inviting people into the home, other than those who need to be there.
- We minimize close physical contact, which increases your exposure to the virus. (Close physical contact is being next to anyone less than 6 feet away for more than 15 minutes. People who don't have symptoms can still transmit the virus.)

Our goal is to have everyone back to school as safely as possible. Do you agree to commit to the safest behaviors possible and in so doing, keeping the schools safer?

ACCEPT

Step 7: Choose "I agree" to the statements and their daily pass will appear.
